Bonky Derby

My husband Alan loves me to flirt in the hope I get fucked. He loves to see me get laid by a stranger, male or female.

One Saturday night he and I were in our local pub. I had on a low-cut top, a short skirt and no underwear so I could flash my tits or cunt to anyone who cared to see.

"I TOLD HIM TO GET BEHIND ME AND FUCK MY ARSE."

I noticed two lads at the bar who kept glancing over at us as we sat down. Alan suggested the next time I get the drinks in I should stand next to them to see if they'd say anything.

I went to the bar and soon they started chatting to me. A little while later I returned to my table and told Alan they were nice lads called Pete and Jim. Of course, Alan encouraged me to flirt with

them as much as possible. As the night wore on, he watched as I followed each bloke every time they went to the toilet, taking a long time.

Each time I came back Alan asked me what had gone on. He loves me to tell him all the dirty things I've done with other people, so when I told him they'd been fingering me

he got an instant hard-on.

He was so turned on he wanted to go straight home for sex. He said I should invite Pete and Jim back to fuck me while he watched, so I went over and put it to them.

Five minutes later we were all in the back of a cab heading for our place. When we got home both of the lads started to strip off while Alan settled himself in a chair.

I pulled my top over my head, exposing my tits and my hard, tingling nips. I pulled my skirt up and let all three of them see my arse and shaven cunt.

Pete lay on the floor with

his hard cock pointing to the ceiling. I gave it a quick suck before lowering myself onto him till only his balls were visible. Then I started to ride him. I beckoned Jim over and started to suck him off.

When I had made his cock very slippery I told him to get behind me and fuck my arse.

I felt a finger probing my arse, then another, and finally Jim's cock straining to get inside me. With a pop, his

cock slid inside my arsehole.

I found it a massive turn-on that Alan was watching me act like a bitch on heat. He was wanking furiously as he watched the two strangers fuck my holes hard.

Finally they both pulled out and shot their sticky loads all over my face.

I loved every second of that night – as did my husband!

From the way these two went at it, you'd have thought they'd never licked a juicy twat before in their lives. So what's the story?

"To be honest I don't get to do it as often as I'd like!" giggles curvy Jaye Rose. "I got into pussy when I was a student, but I've got a boyfriend these days, which means the opportunities don't come along so often."

Well that's too bad – at least you've got your chance now, so don't let our prattling stop you.

"No chance," Jay just about managed to say before burying her tongue between April's juicy flaps...

Russian... A Bout!

Russia might be throwing its weight around on the international stage once again, but at least they haven't got all sniffy and deprived the rest of us the sight of their cock-mad young floozies getting nailed in a cavalcade of cunt flicks. This one's worth a shuft, because a) the girls featured are all dead cute, but also b) they let their fellas wedge their cocks up their tight chocolate (red) starfish. And so what if all the action takes place on the very same sofa?

VIEW TO A THRILL!

Just like our very own Readers' Wives, Your Choice's Viewers' Wives love nothing more than showing off their juicy twats in order to turn us all on - quite often when it's being pumped full of cream by their hubbies or lovers as well. This latest collection features no fewer than 10 tug-tastic scenes, with some solo, some lesbo and some bonking going to make it a great mixed bag. Particular mention goes to the fella

in the last scene, who gets to bone Samantha and Stacy at the same time, the jammy git.

I'd dearly love to find out which rugby club is Maya and Bounty's local one, because if I knew where it was, I'd be down there every single night in the hope of getting off with this incredibly horny pair! Just the thought of sliding my aching

prick from one set of lips to another as these two writhed beneath me has had me spilling my load at least a dozen times already. I bet Maya would live to lick my pole as it slid in and out of Bounty's dripping pink cunt, or maybe she could sit on my face and let me tongue her own juicy slot while her friend rode my 8-incher. Come on ladies, what do you say?

Rob, Warwick.

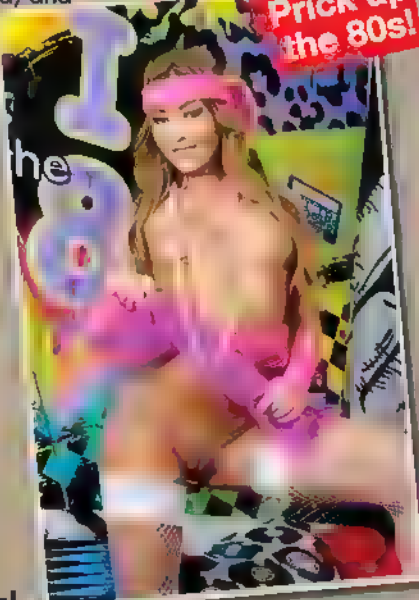

I bet it's a very well attended rugby club, Rob - and Maya and Bounty sound like just the girls to keep attendances up!

DEAR JULIA

I remember the 80s all too well, and Natalia reminded me of the couple of years I spent going out with an aerobics instructor. She had all the gear - a brightly coloured leotard, leg warmers and the sweatband, and sometimes as a treat she'd come home straight after her lesson without taking a shower first. I used to love peeling off her sweaty things and fucking her stupid - although she always had a lot more stamina than me! Ian, Hove.

It's the best workout going!

Prick up the 80s!

A right pair of rugger-munchers!

HOUSE... AND HARD-ON!

There's a bit of a cuckoldy theme going on here, although how genuine it is is anyone's guess.

What is genuine, though, is the sight of lovely Krystal

Main's thighs spread wide as her stud fingers and slurps at her juicy twat before she climbs on board for a good shafting. Other highlights include a cracking piledriver boning for Tara Star.

"I just can't leave my juicy slit alone!" confesses sultry Sophia. "I like to keep it completely smooth, which means shaving it every day – not that it's a chore or anything, because once I've finished I'm always feeling so horny that I end up wedging a couple of fingers up there and bringing myself off. It's the perfect way to start the day! And then when my fella gets home in the evening, I've always got his favourite tea ready and waiting for him to tuck in to as well!"

Ashleigh

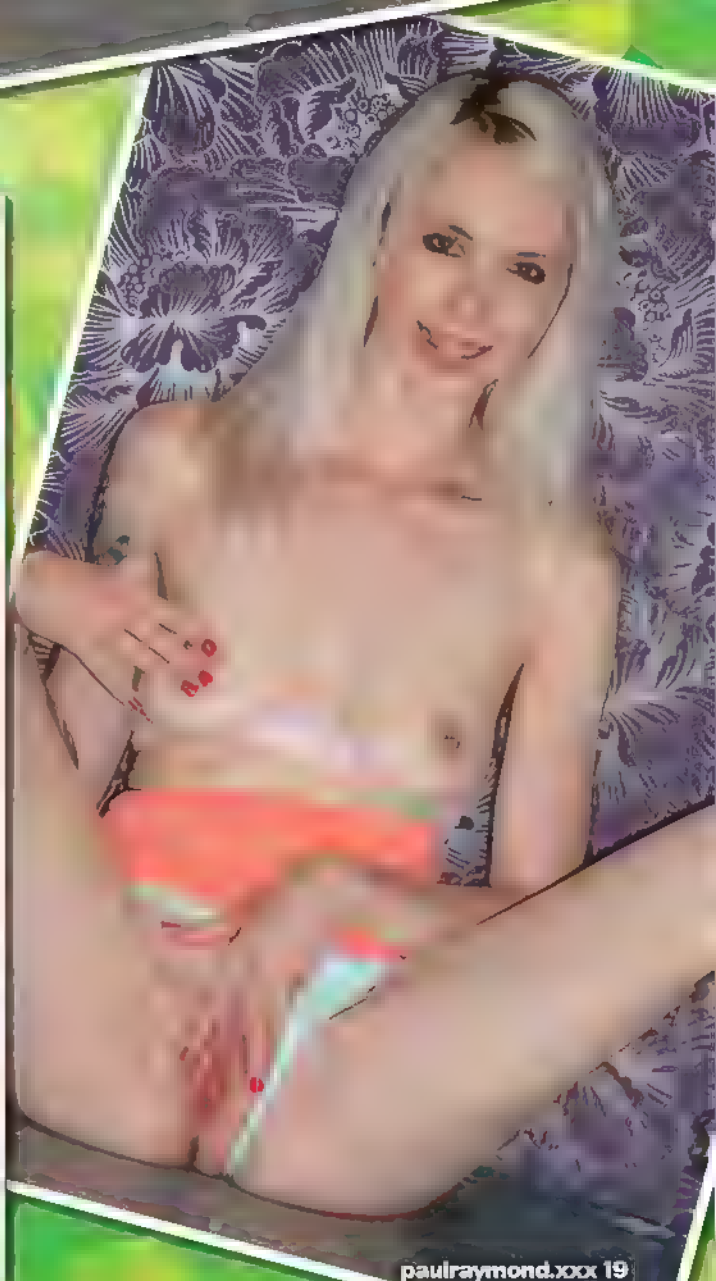

Hardbodied hottie Ashleigh Doll got the sort of face that makes you think butter wouldn't melt in her mouth – but nothing could be further from the truth! Once she'd got herself in the mood for this shoot and opened that butter-not-melty mouth she was coming out with all sorts of filth.

"Is it filthy to ask if someone wants to fuck my tight juicy cunt?" she asks, coming over all innocent again. "I thought guys liked that sort of thing..."

REAL WIFE SEX

A two cock fantasy becomes reality!

"Will slipped a hand between my legs, rubbing my juices back and forth."

Although I've mentioned my fantasy to get fucked by two cocks at once to my useless husband Ray on countless occasions, he's never risen to the bait and I'd pretty well given up on the whole thing. I'd confided my frustrations to my best mate Jeannie, but little did I

realise she was going to help turn my fantasy into a reality.

One evening last month, a few days after my birthday, Jeannie rang for a chat, and asked me to meet her at our local pub for a drink after work the following day. This wasn't unusual – especially if she was having dramas – but she sounded slightly weird about the whole thing, and I couldn't help but wonder if she was up to something. I braced myself as I headed out to meet her.

When I arrived, I found Jeannie sat with two guys, Will and Pete, and at first I was a bit baffled by what was going on. Still, we all had a few drinks and got to know each other, and I found that they were not only very good-looking, but they were funny and intelligent, too – I didn't know who Jeannie was planning to set me up with, but I would've been happy with either of them! The boys kept the drinks flowing for a couple of hours, and then we all piled back to Jeannie's.

After popping open a bottle of champers and pouring it out, Jeannie cleared her throat, as if to start a speech. "Happy birthday, my

darling Jo! This is my present to you; you're going to have them both!" she told me to my amazement and I remembered the conversation we'd had all those weeks back.

"You can't be serious," I said staring at them both, a little embarrassed and a bit drunk.

But when Will began kissing me really deeply and Pete came and wrapped his arms around me from behind I started to loosen up, making the decision to enjoy the experience.

Pretty soon we were all naked. Will was still concentrating on my mouth, Pete on my tits then slowly stroking his hands down my belly, moving them around and caressing my bottom with the flat of his hands. And as I started to get more confident I touched them back, reaching back around me to run my fingers over Pete's stiff cock then, with my other hand, running my fingers over Will's thick meat. Will slipped a hand between my legs, rubbing my pussy juices back and forth over my slippery slit and I closed my eyes, enjoying

it. The sensation of four hands feeling me was so intense that my legs buckled and, somehow, I ended up on the floor with Will's cock sliding into my mouth and Pete licking up and down my arse crack.

"Stand up, gorgeous," Pete said, "and grip Will's hips." So, with Pete's help I stood up, keeping my lips enveloped around Will's cock and straightened my legs so that my bottom was raised and my shoulders and head were level with his crotch.

I felt Pete fingering my pussy, then sliding a couple into my dripping slot and start to finger fuck me while Will

"Pete eased a slippery finger into my anus – then two."

took some deep breaths and kept very still, hardly daring to move. Two hands spread my bum cheeks apart and Pete eased a slippery finger into my anus, then two, wriggling them about a bit, stretching and coaxing my rectum open.

When his fat helmet nudged against my little puckered hole I gasped and held my breath. I could feel he was taking his time, and when he slipped it into my cunt to lube it enough for my

into my crack. I gave a little wiggle, coaxing him on, and he moved down lower, dipping a finger into my cunt. "Mmm..." I groaned, putting it on a bit, but when he got into it, my moans were real enough. I felt two, then three fingers slide inside me, gradually pumping

harder and faster. Now and then he'd slow down, like he didn't

GREASY POON

I have to say it - I've been out with some possessive arseholes in my time. They're usually hypocrites as well, fancying me up because I'm wearing a sexy outfit, then telling me to cover up because they don't like other blokes looking at my legs or tits. Bunch of twats! Rob was the total opposite. He knew who I was going home with at the end of the night, and got a buzz from having men ogle me.

As well as my day job, I sometimes give my cousin a break on the odd Saturday, by

working a stint at the little seaside cafe she runs. Normally I wear jeans and a T-shirt, but to sex things up a bit, Rob persuaded me to wear my shortest miniskirt and lowest-cut top. Being low season it was probably going to be a boring day otherwise.

I was up for it, and he wanted in on it too. Just before we opened up, he grabbed a cuppa and went to sit at a table by the door to watch the fun. I strutted over and gave him a snog, then wriggled out of my knickers, handing them to him. We'd been talking dirty on the walk there, so the gusset was nice and moist. He gave it a good long sniff, then balled it up and put it in his pocket

I'm not into offending anyone, so I picked my victims carefully. If I caught a bloke looking a bit too long and close at my cleavage, I'd lean forward and give him a better look. But it took till halfway through the afternoon before I got the chance for a real thrill. The last old lady customer had finally gone and this angler walked in. I served him an all-day breakfast, then he came back up to the counter for a can of coke. His eyes were glued to my tits, then I bent over to get his drink from the fridge, giving him more than a quick flash of my bare

arse and snatch. And he was quicker than he looked - I felt him lay a sneaky slap on my bum-cheek.

I turned round and grabbed his wrist, then whispered - just loud enough for Rob to hear - that if he wanted to cop a feel, he'd better make it a good one. As I spoke, I guided his hand onto my tit, smoothing it up and down for him. Rob reached up and flipped the sign on the door to 'closed', then acted like he was ignoring us.

I turned around again and bent over, parting my legs slightly then spreading my cheeks, so my pussy was even more exposed. I was half-expecting the guy to make a run for it - Rob wouldn't try to stop him - and the anticipation was killing me. So much so that when the bloke's hands finally made contact with my arse cheeks, they felt red-hot against my skin.

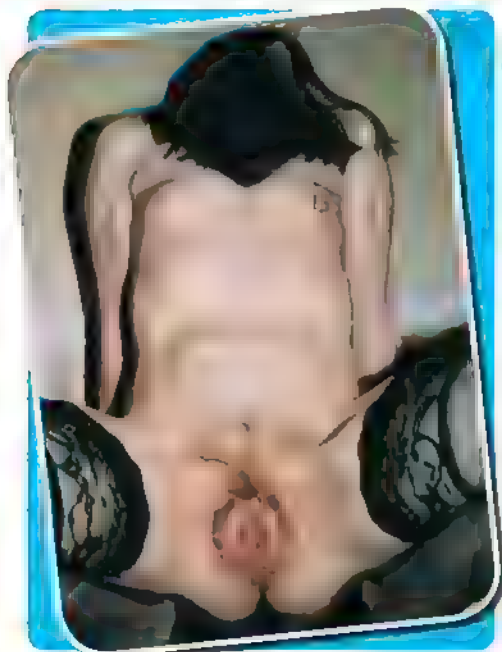

I jumped slightly but he didn't let go. He just fondled them, cupping them and squeezing, then I felt a finger skim lightly

want to get too rough with me, but I'd tell him to speed it up. "Don't stop..." I said as he pulled them out of me. Then I felt two fingers probe my arsehole, wetting it with my juices before easing in slowly. Now his other hand moved up to caress my cunt. I kept getting flashes of him doing everything to me - tonguing my hole, even using his cock. I didn't even know how Rob was taking this - he liked me getting male attention, but things had never gone this far before. I guessed he was sat there, cock in hand, getting off on the whole situation.

I dropped my own hand down - all it took was a few tickles on my clit to give me a screaming orgasm, and I didn't stay quiet. I felt another little shiver go through me as he pulled his fingers out of my holes, and I didn't even have time to turn around before he was off and out of the door. Rob says he was grinning rather than freaked, but he probably hadn't wanted to push his luck.

Rob had paced himself, staying hard but not too close to a climax, and he just sat me on the counter, pulling me onto his prick and screwing me hard, blasting his spunk into my puffed-up cunt. I left it a month or two before agreeing to do another shift in the cafe, and if word got back to my cousin about what we'd done, she didn't mention it. That's not to say we wouldn't give that sort of game another go, though - Rob never shuts up about it when we're in bed...

I'd been moaning about being single for too long, so my mate Tina decided we were going out clubbing one Saturday night. She came over for a girlie afternoon – and a couple of bottles of wine – beforehand, so we could take our time over getting ready.

I showered first, and while Tina had hers, I dried off, looking at myself in the full-length mirror. My fingers started to wander, and soon I was watching myself frig off. I must've got carried away and didn't realise that Tina had been standing there watching me for ages. When I finally noticed her, though, I nearly jumped out of my skin. Like what the hell do you say to your mate when she's just caught you knuckle-deep in your own snatch?

Tina put her finger up to her lips, shushing me. She came

over to me and gave me a hug, then kissed me on the mouth. Nothing like this had ever happened between us before, but it didn't surprise me. She's one of the most sexual people I know.

"If you're not up for this, just say so," she told me. I wasn't sure how I felt, but as her hands moved up my stomach and onto my tits, snogging her felt like the only thing to do.

When we came up for air, she grabbed my right hand – the one I'd been wanking with – and sniffed my middle finger. Then she took it in her mouth. "Let me taste it fresh," she purred, sneaking a hand in between my thighs, and making me sigh as she dipped in a couple of fingers. She sucked them clean, then led me over to the bed and laid me down across it.

I spread my thighs, stroking my hands over them as she immediately stuck her head between them. I didn't know if she'd

done it before, or if she just knew from her own experience what gets a woman off, but she used this sucking motion on my clit, bringing it into her mouth so she could tongue it.

I liked it, and I liked it even more when she slipped her fingers inside me again, using them to pump me this time. And just when I was thinking I couldn't get more turned-on, she wet a thumb and wriggled it between my arse cheeks and into my tight hole.

I felt like I was losing it completely. I grabbed a pillow and buried my face in it to muffle my screams as I wriggled on Tina's tongue and fingers. "Just fuck me," I told her as she slacked off a little, and she brought me to another orgasm.

I only let her stop when I was spent, but even then I

the first few inches of it up her arsehole. She started twisting and turning on it, mashing her snatch against my mouth, then it only took about a minute before she was cumming, sweet, sticky juices seeping out into my mouth.

Surprise surprise we never got out that night, but we

"SHE SLIPPED HER FINGERS INSIDE ME AGAIN, USING THEM TO PUMP ME."

got the pleasure of seeing her sit on the chair in the corner, one leg splayed over each of its arms as she gave her own pussy a good finger-fucking. And I was only half recovered when I dragged myself off the bed and started giving her a licking.

For all she seemed to be loving it, I didn't reckon I had her skill, so I cheated. I got a long, skinny vibrator from my drawer – my lifesaver when I'm single – and slid

went clubbing a couple of weeks later and both pulled.

Tina says I owe her for the fucking I got then – she says I still had a sexy glow from playing with her, which had the blokes flocking to me! She's probably right, to be honest, but as long as I'm getting laid one way or another, I'm not too bothered about the hows and whys of it all!

Jess, Catford.

REAL WIFE SEX

"Will thoroughly fucked my eager mouth."

so much subsided, and I finally began to enjoy the sensation of having his thick cock buried in my bottom.

As soon as his dick was buried in my arse, Will began easing back out of my mouth and both men started thrusting in and out, quickly establishing a rhythm. Within seconds they were fucking both ends really hard, their deep, penetrating thrusts forcing me back and forth so much that my tits swung about.

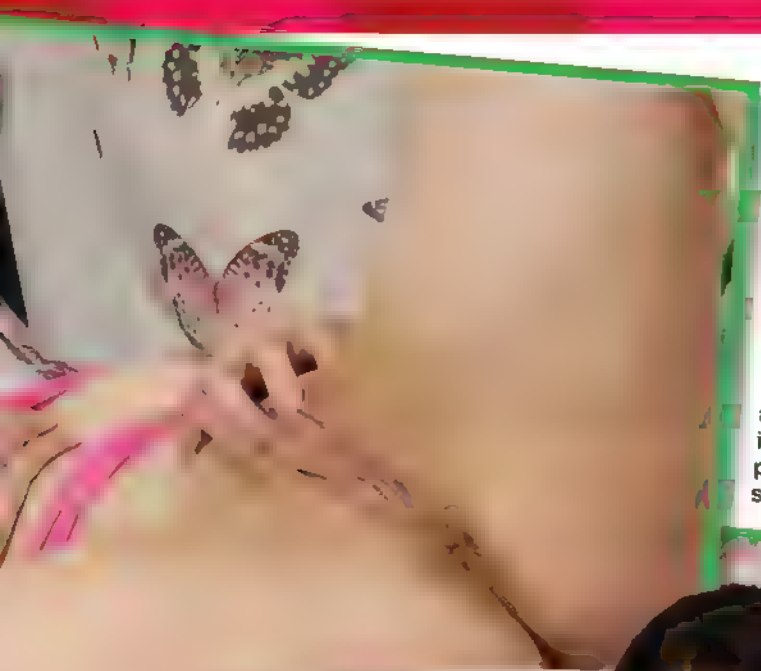

It was incredible, everything I'd imagined it to be. I'd wanted to have my arse and mouth fucked at the same time and it was happening; I couldn't believe it. I'd never have believed either, how hard and deep I could take it but,

as Pete rammed into my arsehole and Will thoroughly fucked my eager mouth, steaming down my throat like a man possessed, I revelled in the

arse, I relaxed even more and tried my best to loosen my anal muscles.

Once more I felt his helmet nudging my arsehole and once again I held my breath but this time he didn't stop. Instead, he kept pushing, easing it

past the tight ridges, and stretching me wide open. Once his fat helmet was in, however, he was able to slide, inch-by-inch, into my arsehole and, once the shock of being stretched

of his dick all over my lips and chin.

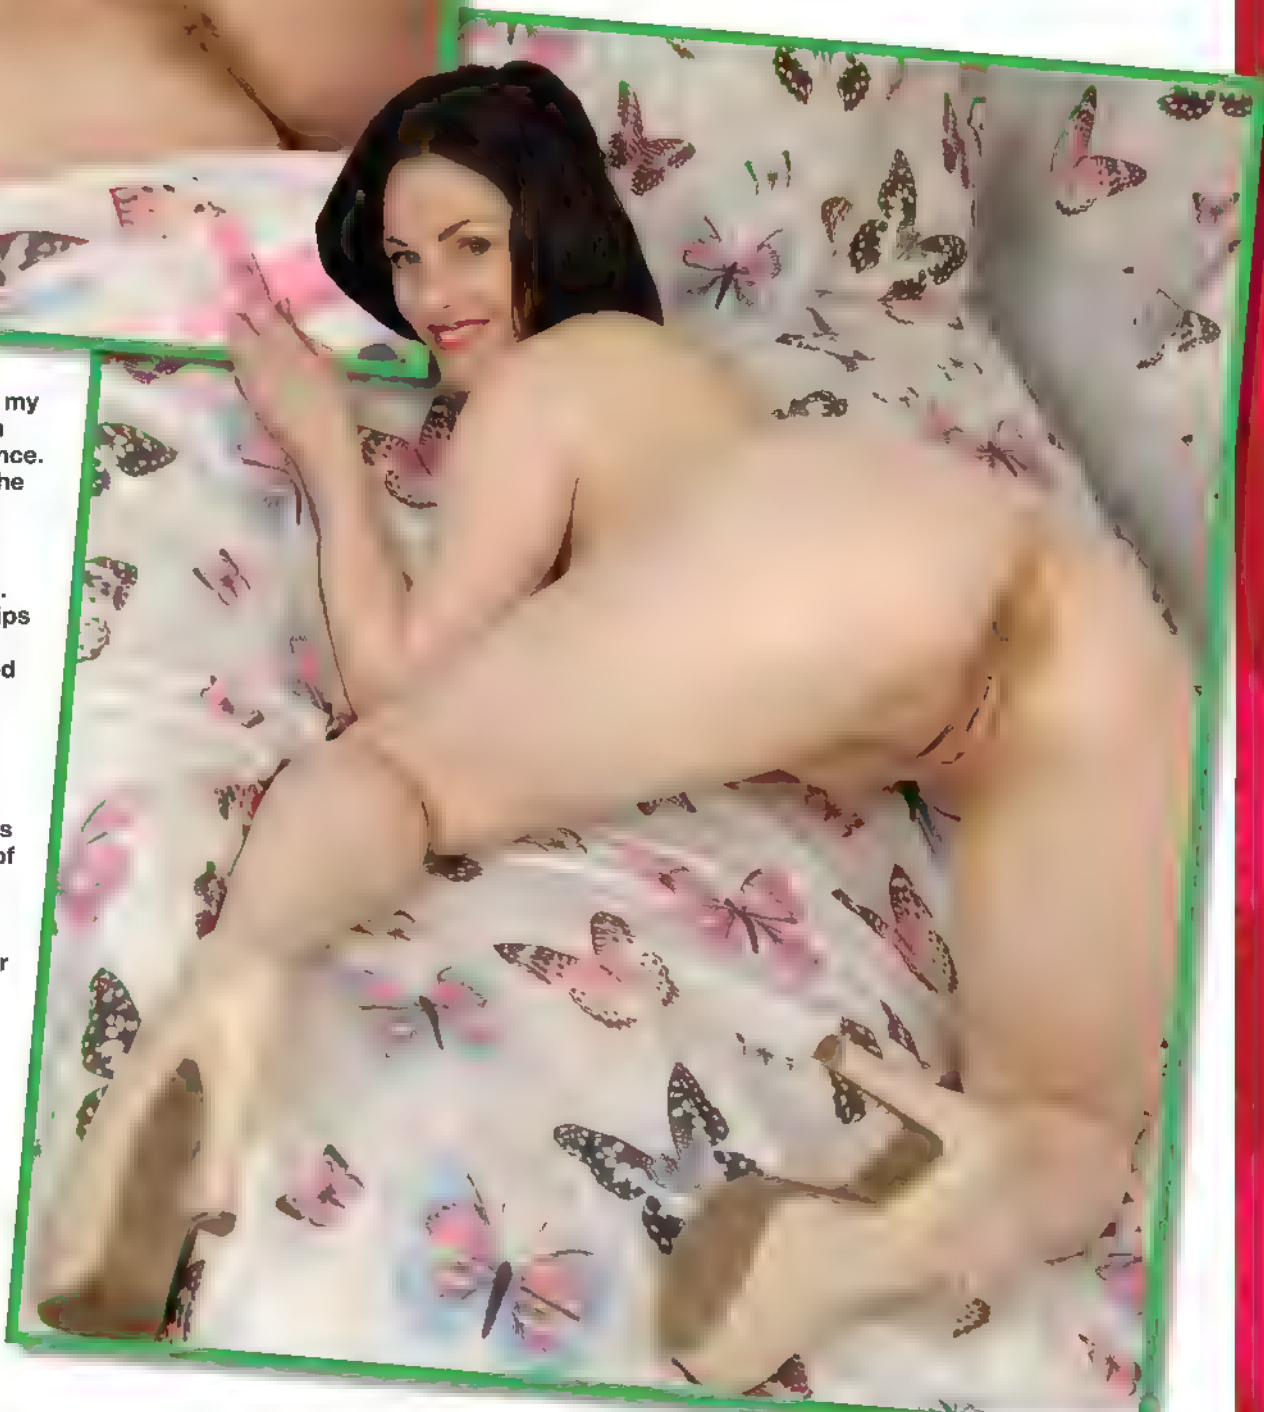

I don't know if it was my cunt muscles convulsing around his shaft, but immediately after that, Pete groaned too, and came deep inside me, before pulling out and splashing my

arse with what was left of his sticky load. Collapsing onto the carpet at their feet with jizz coating my chin, dribbling from my arsehole and running down my thighs, I felt more satisfied than I'd ever been in my life, and, much later when Jeannie asked if I'd enjoyed being spit-roasted, I told her it was the best birthday present she could have given me. I've got the best mate in the world, and I am one lucky girl! Now I've realised I don't have to worry about Ray when I want a double dicking, the future's looking pretty rosy! 6

power I had over two guys and my ability to give them both pleasure at once.

I looked over to the corner at Jeannie and saw that she was masturbating as she watched us. Pete gripped my hips and pounded my bottom and grunted loudly, increasing my feelings of wantonness. And, despite being thrown backwards and forwards, I was able to keep hold of Will with one hand and slip the other down to my pussy and furiously finger fuck myself.

Moments later a truly incredible climax ripped through my body and, as I gasped and panted onto Will's cock, he groaned and stiffened, before spraying a huge wad of thick spunk all over my tongue, then wiped the end

We'd heard the NYPD were pretty handy with their truncheons, but perhaps crime levels in the city would be even lower if the cops were as tasty as Ella Hughes here, and went around pronging themselves with giant black truncheons like this one instead?

"It's got to be worth a try," she grins. "After all, this big boy has certainly kept me out of trouble on many a night. He's always ready, and I'm always willing!"

Aussie Rules!

I'm a 36-year-old housewife happily married to Dave, who I've recently discovered likes the thought of me being fucked by other guys.

For the past three years I have been doing part-time modelling for amateur photographers. I do the work at home and Dave always

stays upstairs out of the way until I'm finished.

I always make it clear to the photographers, mostly older men, that my golden rule is that there is to be absolutely no contact between them and me.

Sometimes at the end of a session they sheepishly ask if they can wank off over me, and I never refuse them this little pleasure.

"I REACHED INTO HIS SHORTS AND ENCIRCLED HIS MASSIVE COCK."

**04. JENNY,
SOUTH WEST.**

I quite enjoy the sight of a dirty old perv pulling his cock.

A few weeks ago I was posing for a young Australian bloke of about thirty called Greg. He was tanned, muscular and good-looking – I soon realised I fancied him like mad.

At the end of the shoot he was packing up his gear when I noticed a big bulge in the front of his jeans. He caught me looking at it and said he couldn't help it, as I was an

attractive lady.

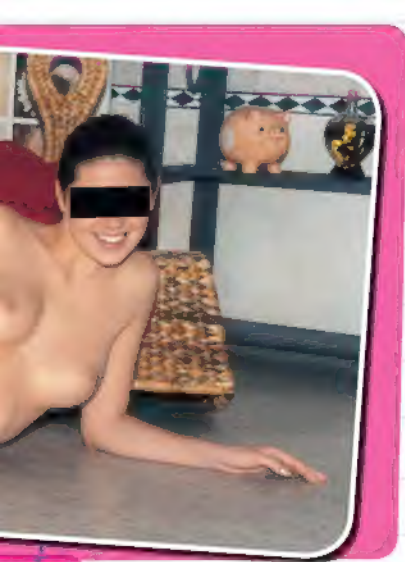

My pussy was quite wet by now, and I smiled at him and told him that we could bend my rule about no contact, if he really wanted. He smiled back and said he was definitely up for it.

I went upstairs and told Dave I had a bloke downstairs who I really wanted to fuck. I expected him

to go ballistic, but in fact he told me to go down there and enjoy myself.

Then he confessed he'd actually fantasised about me going with another man and that he would love it. He'd never told me this before, so I was quite surprised.

He gave me a kiss, patted my bum and sent me downstairs. When I walked into the lounge, Greg was sitting there in his boxer shorts. I went over and

started kissing him.

Slowly I reached into his shorts and my hand encircled his massive, stiff cock. I pulled it out and gazed in wonderment at how long and thick it was.

His cock was crowned with a gigantic, bulbous, glistening head.

I had seen a few cocks in my time, but this one was something else. I lowered my head and opened my mouth.

It was very large but I managed to engulf it. I could feel every ripple of the skin and every slight twitch and throb of his building excitement.

When he started to groan, I reluctantly pulled away. I wanted him to fuck me long and hard. I lay back on the couch with my legs spread, my fingers pulling open the lips of my sopping pussy and inviting him to stick his fat prick in me.

He knelt between my stocking-clad legs and gently began to thrust.

Little by little he slid deeper into my eager hole. He built up a steady, long, powerful rhythm.

After a while I felt an irresistible climax approaching. I knew it was going to be big as my body started trembling and I cried out in ecstasy.

Clinging to Greg like a limpet and shaking uncontrollably, I had the most fantastic, prolonged orgasm. Soon after, Greg unloaded his spunk deep inside my cunt.

When Greg had gone, I went upstairs to find Dave wanking furiously in our room. He made me tell him all about it while he wanked over my tits, even as another man's cum leaked out of my well-fucked pussy.

Jenny, Southwest.
